OLD BUSINESS: The Hospitality Weekend and the Feast Days – St. Pat’s, St. Joe’s and Annunciation – were well received. Easter Vigil also went well. Having the location in the hallway next to church made more people aware and helped boost attendance.

Next Hospitality Weekend is April 9/10. Letters have gone out to parishioners concerning stewardship. Father Don would like everyone to return their form the following weekend. We will pass out cards at the end of Mass to remind everyone to do their part.

NEW BUSINESS: Ideas were discussed for future Hospitality Weekends. A pilgrimage to Champion – bible verses and questions for discussion printed in bulletin – food. Mary Bishop showed us a Holy Hot Line – a printout of bible verses one could reflect on depending on their feelings. This could be put in the bulletin or on a card in back of church. Our next Hospitality Weekend is May 14/15.

May crowning is May 5th at 6:00pm at St. Pat’s. Carolynne is heading up an ice cream social to follow.

Volunteer Appreciation Gathering in Thur. May 19th at St. Jude’s. Casey will contact Mary Ann Daniel to see if she will once again coordinate the beverages. Carolynne to bring table coverings, paper products and serving utensils – 25# each of ham and turkey, buns and condiments. Casey will order cheese/sausage and fruit trays from Aurora. Marlene will purchase pasta and potato salad. Chelsea will bring salad. Mary will bring a lettuce salad and bean dip. Casey will bring meatballs. We will finalize the menu at our May meeting.

There was discussion of a Hospitality sub-committee. Find parish helpers to run the food hospitality. Committee members could monitor supplies and helpers could run it. Further discussion at next meeting.

Next meeting is May 10th at 6:30.

Meeting adjourned at 7:40pm.
