IV New Business

- A. We discussed the subject of human trafficking. We are considering having a speaker come in to tell us about the activity in our area.
- B. A request was received from Global Partners: Running Waters, Inc. for financial assistance. We feel we are doing all we can to handle the collections we have in our parishes.
- C. A discussion was held on whether we should have a Social Services Survey in our Parishes. It was decided that we were already doing most of the things mentioned, therefore we didn't think it necessary.

- B. We evaluated the speech given on immigration by Luca Fagunda. We found his speech to very enlightening.
