## ***Minutes Approved from February meeting***

### ***One Addition to the agenda:***

**Mass aids:** there was a short discussion about whether or not it was time to get rid of the aids to the new translation of the Mass. We have now been working with the new translation for over two years. However, commission members felt that they are still necessary for at least the Easter season since we have people who only come for Christmas and Easter. They are still not up to speed yet with the changes in wording. We will revisit the issue at a later date.

### ***Final Easter Planning***

**Readers for Palm/Passion Sunday, Good Friday and the Easter Vigil; people for foot washing on Holy Thursday:** Commission members for each of the parishes will contact people from their parishes for reading for the various liturgies and foot washing and turn in the names as of our next meeting.

### ***Parish Feasts:***

**St. Patrick - March 17:** Mass at 5:30 followed by an Irish Dinner, entertainment, and raffles

**St. Joseph - March 19:** Mass at 5:30 followed by St. Joseph's Table (dinner)

**Feast of the Annunciation - March 25:** Mass at 5:30 followed by a short reception

**100<sup>th</sup> Anniversary Mass at St. Joseph - April 5:** Planning for the Mass is in its final stages. Readers and Extraordinary Ministers of the Eucharist have been scheduled and the music has been planned. Still to be done: finalizing environment and the list of servers. Bishop Ricken will concelebrate with Fr. Don. There will be a dinner afterwards at Rock Garden.

### ***Discussion: Chapter 3 of Intentional Discipleship***

Following a short ***Closing Prayer***, the meeting adjourned.
