Friday: **“When You Suffer”**

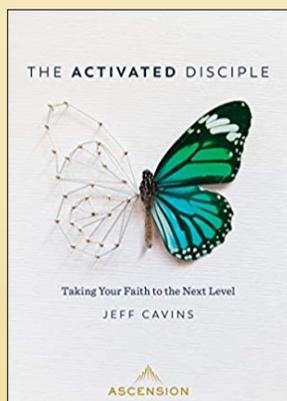

In this enlightening talk, Jeff addresses the mystery of suffering and the common question, “Why would God allow us to suffer if he loves us?” The reason people become frustrated in the midst of suffering is because they don’t know how to suffer. Jeff explains the meaning of redemptive suffering and provides practical things to do in the midst of suffering. Learn how you can offer up your entire life and make it count by understanding the love of God on those less than ideal days. Not only will Jeff communicate what it means to “offer up” your suffering, but will show you how to do it.

Saturday: **“The Activated Disciple”**

Take your faith to the next level. Move beyond just believing and practicing to radically living your faith. The foundation of discipleship is imitation. By imitating God, disciples become the instruments God employs to transform our world. Overcome the obstacles that keep you from becoming the disciple you are called to be. By developing a close relationship with God, you will transform every area of your life, and you’ll also become an instrument of transformation in the lives of others. Copies of Jeff’s book, **The Activated Disciple: Taking Your Faith to the Next Level** will be available for purchase for \$15.
