Due to extra precautions being taken for the health and safety of our families, we will be offering a “modified” version of VBS this year. Each Tuesday, families will schedule a time to pick up a VBS goodie bag complete with snacks, a craft and information for our weekly theme. Families will be invited to participate in some super fun, family friendly, socially distanced activities in the parish parking lot. We will also be offering a few interactive pieces online to help support the theme throughout the week. While this isn’t the traditional VBS experience we are excited to try out some new ideas while engaging our children in the faith throughout the summer.

Families will be asked to “Schedule Your Visit” the morning or evening. Once we know how many families would like to stop by during each time frame we will coordinate specific drop in times for each family.
