Silence is Not Always Golden

Lately I have had the opportunity to have several conversations with friends, parishioners and other church folk about the state of the church. In each of the conversations it was apparent to me that everyone I was chatting with had great love and compassion for their parishes and for the Church, as a whole. They spoke of the great joy that they have found as they came to know Jesus in a deep and personal way. Smiles widened when they mentioned the many friends that they had made through church activities, volunteering for ministries, committees and social events and by attending Mass. It was obvious to me that they had received a great deal from their involvement.

Because they care so much for Jesus, their community and the Church, they carry some serious concerns as well. They wonder where the young people are. They question the decrease in contributions of funds and time to the church. They ask why Mass attendance seemed to be so low and they lament about the perceived decline in respect and value of life. Like I do their joys, I sympathize with their concerns, as well. I have asked myself similar questions.

As the conversations continued, I began to wonder if these were concerns unique to modern times. I suspect that they are not. If I had to guess, I'd predict that this type and tone of conversation has been going on for decades or centuries or since there has been "younger generations". Times change and I am starting to realize that it can be hard to change with them. Over the years I have learned a few things that I have come to believe as true, right and good. I have also learned a particular way to live with these things as my guides. I have been blessed with wonderful teachers and role models. The challenge now is to pass that knowledge on.*

*Throughout the Easter season we hear stories from the Acts of the Apostles during Mass. These passages give us insight into how the pupils of Jesus grew to become teachers of the Good News that Jesus taught them. Of course, we are called to do the same. I would suggest that some of the struggles that our world faces today are due to our own shortcomings as teachers of the next generations. As tempting as it is to blame the kids for this, that or the other thing, perhaps we should start with asking ourselves what we have done and what we are doing to spread the Good News.

- Are we talking about Jesus and His Love for all people? Are we acting like we believe it?
- Are we judgmental?
- Are we being kind and loving?
- Are we humble or is self-righteousness a more accurate description?
- Is "because I say so" or "that's the way I do it so it must be right" a common approach for us?

It is not my suggestion that we shy away from the Truth. God is our creator and source of everlasting life. Jesus did come to teach us perfect love and to save us from sin. In fact, if we are not standing up for these truths, I believe that we are, in fact, responsible for the ills that are trying to take over our lives.

We must speak the truth. We must be honest with others and with ourselves. We do have the power and the ability to change the trajectory of our parishes, our community and our world. But, we cannot do it alone. We need to act - guided by God. We are called to go out and spread the Good News. How are you going to do that this week?

Volunteers Needed - Post Office Food Drive!

Be part of collecting approx 10,000 pounds of food for the Hope Center Pantry, 505 Clinton St., GB! Without this food, it is difficult to feed those in Brown County who are in need. **We are required to provide 20 volunteers (age 10 & up) on Sat, May 13.** We encourage you to recruit among your neighbors, family and/or friends. From past experience, the children have a lot of fun helping others. It is a great opportunity for parents to model community service with their children. This volunteer experience will definitely count for Community Service hours! Refreshments will be served. **We hope to see you Sat, May 13**

@ the Post Office, 300 Packerland Drive!

Two opportunities:

9-11am: Vehicles and drivers are needed to drive mapped routes, pick up food, and deliver to the Post Office. Ideally this team would consist of an adult driver and an energetic partner to quickly collect the bags of food.

11am-1pm: Transport food bags from vehicles and load them into bins on pallets.

We need a commitment by Sunday, May 7th. Any questions, please contact Chris & Janice Clemens at 920-498-1115 or email HopeCenterPantryGB@gmail.com.

Good To Know

Dear Parishioners,

If you or a family member is ever in the hospital, please know that you can call the parish directly to let us know. Often times we are unaware of parishioners who are in the hospital and a call to the Quad Parish office would help us in knowing this. Changes in regulations protecting patient confidentiality are in effect at all hospitals. Even when the hospital asks if they may notify us of your admission and you answer "yes", it is still helpful if you or a family member notifies us directly, especially if someone needs to receive the **Sacrament of Anointing of the Sick**. Due to HIPPA regulations the hospitals are not able to notify us of a patient's condition, which is why your help in letting us know directly would be very helpful. You can also call the Pastoral Care Department at any hospital to notify us on your behalf.

Article 1421 in the Catechism of the Catholic Church states: *The Lord Jesus Christ, physician of our souls and bodies, who forgave the sins of the paralytic and restored him to bodily health, has willed that his Church continue, in the power of the Holy Spirit, his work of healing and salvation, even among her own members. This is the purpose of the two sacraments of healing: the sacrament of Penance and the sacrament of Anointing of the Sick.*

2023 Bishop's Appeal

Sharing the light of Christ

The Burden of Debt

Life can be challenging. There are times when people feel so lost. They find help through Catholic Charities and the many programs and resources in our Diocese.

Amanda was in an abusive relationship that took a toll on her physically, emotionally, and financially. This relationship left her battered, bruised, and in severe debt. Through God's grace, Amanda found help from several organizations, including Catholic Charities Financial Health Services Program. With guidance from a Financial Health Counselor at Catholic Charities, Amanda learned to manage her money, prepared a plan to pull herself out of debt, paid her debts on-time and became self-sufficient.

"Going from \$20,000 in debt to no debt...it's amazing. It feels great," said Amanda.

Your gift to the Bishop's Appeal helps people like Amanda. To make a gift to the Bishop's Appeal, contact your parish, visit the Bishop's Appeal website at www.catholicfoundationgb.org/give, or call Tammy toll free at 877-500-3580, ext. 8123.

Bishop's Appeal	Goal	Collected	Balance
Annunciation	\$12,222	\$12,691.00	Goal met!
St. Joseph	\$15,875	\$14,560.00	\$ 1,315.00
St. Jude	\$20,177	\$14,282.00	\$ 5,895.00

An Easy Stewardship Opportunity

The 12th Avenue parking lot replacement at St. Joe's is costing the parish an additional \$28,700 due to unexpected excavating work that needed to be done. Donation cans are located at all the entrances of church. If you have extra change, or a few extra bucks, in your pocket, please consider dropping a little bit in the cans. All money collected will help with the parking lot bill.

Thank you.

According to the Vocation Ministry Analysis from 2015-2021, the state of priestly vocations in our Green Bay Diocese meets 3 criteria to be considered as "unhealthy". To help raise an awareness and assist in rectifying this situation of the priestly vocation shortage, the GB Diocesan Council of Catholic Women has decided our best course of action is prayer to our Lord. We are sponsoring a sort of 9-month novena for vocations. We will gather at 9 different churches every 2nd Wednesday of the month from March-November.
