Carrying Our Cross

By Dcn Jerry

The gospel today is about carrying our cross. Jesus tells us that he is always with us to help us carry our cross. I never thought much about this. Three years ago I was confronted for the first time with a serious illness. I was having problems walking and falling and tripping. I went to the doctor and after several doctors examinations they found that I had a disease where the protein is eating my muscle tone away. The worst part of the disease is that there is no cure. I was absolutely devastated when I found this out. I went home and I thought to myself, why me God I have been trying to do your work for a long time and now I am suffering with a disease which will eventually take my life?

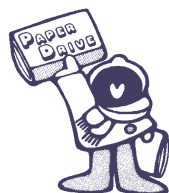

I was sent to Froedtert Hospital in Milwaukee Wisconsin to confirm the diagnosis. The diagnosis was correct and they said they couldn't give me a timeline as to how fast or slow the disease would progress. I came home and went into a deep state of depression. Then I recalled that several years ago my mother came down with Alzheimer's. One day my father said to me, "This is my cross to take care of her", even though he was very ill himself. I asked God for help and he has been there ever since. Although I was depressed, I began to change and my attitude began to change when I saw all of the people from the quad parishes who came forward to do what they could to help me on this journey. Father Tony and the office staff did everything they could to make things accessible for me even though I had to walk with a cane. A parishioner began to give me holy water from Lourdes which I drank daily, it has really slowed the movement of the disease. We all have our crosses to bear but the gospel today reminds us that Jesus is always with us to help us carry that cross. My attitude has changed, I am no longer depressed, and I look forward to serving God and serving all the people of the parishes that I work with each day. I thank God for the gift of all of you who have stepped up and helped me through this process, through your prayers and also through all of your kindness.

Dear Members of the St. Joseph Family,

On Saturday, September 30, from 10am to 3pm, we will be celebrating FallFest. It will give us an opportunity to show our community and outreach spirit. With the gathering of family, friends and neighbors, we can show what it means to be a parish of hospitality and welcome, a parish that enjoys having fun together.

You may ask why FallFest is SO important - it is an opportunity to build on the community spirit that is ours as a parish, it shows how we all come together and work together. We all know that when something is done in the name of our Lord and the community, there is a sense of satisfaction and accomplishment in the work that is done.

Also, the FallFest is an important fundraiser for the parish. All areas of the Fest are important, and each contributes to the success of the day!! Continue to check the bulletin for ideas on how YOU can help!

If everyone does just a little by donating time, items, money, and inviting others to share in the day ... then FallFest 2023 will be a success!

God Bless the Work of our Hands,
The FallFest Committee
