Good To Know

Dear Parishioners,

If you or a family member is ever in the hospital, please know that you can call the parish directly to let us know. Often times we are unaware of parishioners who are in the hospital and a call to the Quad Parish office would help us in knowing this. Changes in regulations protecting patient confidentiality are in effect at all hospitals. Even when the hospital asks if they may notify us of your admission and you answer "yes", it is still helpful if you or a family member notifies us directly, especially if someone needs to receive the **Sacrament of Anointing of the Sick**. Due to HIPPA regulations the hospitals are not able to notify us of a patient's condition, which is why your help in letting us know directly would be very helpful. You can also call the Pastoral Care Department at any hospital to notify us on your behalf. .

Article 1421 in the Catechism of the Catholic Church states: *The Lord Jesus Christ, physician of our souls and bodies, who forgave the sins of the paralytic and restored him to bodily health, has willed that his Church continue, in the power of the Holy Spirit, his work of healing and salvation, even among her own members. This is the purpose of the two sacraments of healing: the sacrament of Penance and the sacrament of Anointing of the Sick.*

Thank you in advance for your donations & support!

Tell Me Who Your Friends Are, I'll Tell You Your Future
by Jim Bertler

To have friends in your daily life is a blessing, especially a true friend. One may boast or brag of having a number of friends, but are they true friends. When you have a problem, and I mean a serious problem, can you depend on your friends or friend. You have to learn and witness the true emotions and concerns of your friends. Once you are able to feel the deep concern of a friend or friends, you can now make a decision of whom you can trust. People should always be glad to have friends but, let us have friends who are faithful in the good times and bad in your persona life. You may think you have a friend, but people are people. Some want to be in a group, some may want to be with you because of your money, prestige, some because of your popularity and, others because of your personal influence with others. Now, on the other hand, some may wish to be with you because of your personality. Here now reader is where we have to cipher out a true friend, from the friendly occasional acquaintance. We all want to be accepted by our peers, working place and, our community where we live and reside. If we practice God's law of loving our neighbor and, follow the example set by Jesus as HE walked on this earth, we should be able to come up with a few true/loyal friends. Keep in mind: in good times and bad, along with trust, makes a true friend. After taking the time to read this short synopsis/observation, I hope that you may be able to observe, study and rejoice, which ones are your true friends. A true friend will stay with you till the end of your journey. Jesus also said to those who believe in HIM, "I will be with you till end of time." On the humous side: Be the reason someone smiles, or drinks, whatever!
