Society of St. Vincent de Paul

In this Sunday's Gospel we find the truth that loving God isn't merely a matter of fervor in our hearts, but that it must be expressed in doing good for the sake of others. This month, through your gifts, the Society of St. Vincent de Paul was able to show that we indeed love our neighbors by assisting many friends in need in our community Thank You!

Simply bring your old, empty cartridges to the Quad-Parish or Faith Formation Offices. **Please no toner tubes (plastic cylinder tubes found in copy machines).**

Sharing of Gifts

Over the years we have been blessed by some forward-thinking and very generous patrons. It was their commitment to future generations that inspired them to establish a fund to support families who wanted their children receive a strong Catholic education. Their legacy lives on! This year we have been able to assist several kids within our parishes.

It was a treat to check the mail last week and find something other than a bill. :) One of our families sent us a beautiful Thank You note, signed by each of the family members. Kids' signatures are the best!

This note was also a great reminder to me of how important it is to share my gifts and to be thankful for those who have and continue to bless me.

Thank you, my friends! Dcn. Bill

GOOD TO KNOW

Dear Parishioners,

If you or a family member is ever in the hospital and you would like a visit from a priest or a pastoral associate from the parish, please know that you can call the parish directly to let us know. Often times we are unaware of parishioners who are in the hospital and a call to the Quad Parish office would help us in knowing this. Changes in regulations protecting patient confidentiality are in effect at all hospitals. Even when the hospital asks if they may notify us of your admission and you answer "yes", it is still helpful if you or a family member notifies us directly, especially if someone needs to receive the **Sacrament of Anointing of the Sick**. Due to HIPPA regulations the hospitals are not able to notify us of a patient's condition, which is why your help in letting us know directly would be very helpful. You can also call the Pastoral Care Department at any hospital to notify us on your behalf.

Visiting hospitalized parishioners is an important part of our ministry. Help us to find you and/or your family members when hospitalized - a "YES" answer to "Notify parish?" will usually put you on our parish lists, but it is always a good idea to notify the Parish Office directly to make sure we are notified and also so that we know the patient's condition since the hospital does not release this information to us unless you specifically ask them to. Your help in this matter will help us to be of better service to you.

Article 1421 in the Catechism of the Catholic Church states: *The Lord Jesus Christ, physician of our souls and bodies, who forgave the sins of the paralytic and restored him to bodily health, has willed that his Church continue, in the power of the Holy Spirit, his work of healing and salvation, even among her own members. This is the purpose of the two sacraments of healing: the sacrament of Penance and the sacrament of Anointing of the Sick.*
