## Saint of the week

Venerable Bishop Alphonse Gallegos was the auxiliary bishop of Sacramento, California, in the 1980s. He'd often serve those in need wearing a cheap sombrero and simple t-shirt to fit in. His kindness caused his community to affectionately name him Bishop of the Barrios.

## Prayer

God our Father, In Bishop Alphonse Gallegos, O.A.R., You gave light to Your faithful people. You made him a pastor of the Church to feed Your sheep with his words and to teach them by example. We pray that his life of holiness and service to the People of God be acknowledged and that this loyal son of Our Lady of Guadalupe be counted among the saints of Your Kingdom.

We ask this blessing through Christ our Lord.

Amen.

## Gospel Meditation

### Encourage Deeper Understanding of Scripture

Jesus' parables are much stranger than most people realize. This week is an attention-getting example. He tells the religious leaders a parable about a completely absurd situation. Blood-thirsty and insane tenants violently abuse and kill the servants of their landlord. Inexplicably, the owner keeps sending them more victims of increasing value — up to and including his own son. Weird.

Usually, we hear this parable and assume it's an allegory: Jesus is the murdered son, the servants the prophets, etc. Fair enough. But notice — and here is where the weirdness deepens — Jesus seems to *disagree* with the Pharisees' interpretation that the landowner should and will punish the inheritance-obsessed murderers. So, is Jesus praising the psychotic and greedy murderers?! You can imagine the furrowed brows and deriding laughter as the scoffing crowd shuffles away.

If we stay with this tough parable, perhaps this truth emerges: God wants us to have an over-the-top obsession with a *totally undeserved inheritance*. Of course, we are forbidden to use violence. But the parable's violence gets our attention because it highlights the crazy goodness of the landowner. Jesus reveals that God is not merely in the business of rewarding the good and punishing the bad. He is playing a much stranger game — one marked by a kind of over-the-top mercy, a breathtaking giving of what is *not* deserved. What would our week look like if we embraced this kind of desire for God's kingdom on earth, even if others think we're nuts? This week let's seek God's kingdom with a passionate confidence in God's desire to give the good things we don't deserve.

— Father John Muir

"Why do melons have to get married in a church?"

"Because they cantaloupe."

Catholic weddings take place in church buildings to emphasize the importance of the day and the sacredness of the occasion.
