HELP MAKE A DIFFERENCE.  
 YOU can make a DIFFERENCE!

Thank You.

 Thanks to everyone who purchased **Booyah** last weekend. Profits will benefit the St. Joseph Wildcats Football Team. And a big thank you to all who came

**Thanksgiving Prayer**

This Thanksgiving, let us remember all the good things, and people, who have come into our lives. We focus on thanking each one who has helped us, and ultimately thank God for the good gifts of this world.

Let us pray...

God our Father,  
 Graciously accept from your humble people  
 a thankful heart and spirit.  
 Everything we have and are able to share with others  
 ultimately comes from your love of your creations.  
 Often we think that everything we have  
 is our own creation;  
 we ask you this day to create in us  
 a spirit of gratitude,  
 that we may always know  
 that all good gifts come from you.  
 We ask this through Christ our brother,  
 in the power of the Holy Spirit.  
 Amen.

## Encourage Deeper Understanding of Scripture

November 19, 2023  
33rd Sunday in Ordinary Time

When I was a kid, I hated playing Monopoly because my siblings and friends always seemed to win. But worse was how it happened. Scared to risk my fake money on buying properties, I'd hold on to it. My opponents hungrily bought up the various real estate squares on the board. Then, inevitably, my poor, low-equity self would land on their spots, pay them rent, and my money would drain to zero. It seemed so unfair. The rich get richer, and the poor get poorer. I had to learn that monopoly money is meant to be spent. I was scared to lose some of it. So, I lost all of it.

How do we see what we possess? Jesus' parable about the talents is not really about economics but about the investability of everything he entrusts to us. How marvelous that everyone in the fable who places talents in the open market doubles their investment. The only one who doesn't is the man who fearfully buries his one talent. Jesus' success strategy for us seems to be, whatever we have, get it out of our possession. Risk it as quickly and as fully as we can.

You and I have precious gifts. We have valuable things to invest — time, talents, treasure. The Lord invites us to be brave and even somewhat reckless, to give as much away as possible. If we give it away in the direction of love and truth, it will grow. If we hold on to it in fear, the little we have will be taken away. Let me challenge you this week: find something in your life you're holding on to, and risk it by giving it away. It won't double if you hold on to it.

— Father John Muir

### An Easy Stewardship Opportunity

The 12th Avenue parking lot replacement at St. Joe's cost the parish an additional \$28,700 due to unexpected excavating work that needed to be done. Thanks to additional donations made, our new total needed is down to \$14,215.45..

Donation cans are located at all the entrances of church. If you have extra change, or a few extra bucks, in your pocket, please consider dropping a little bit in the cans. All money collected will help with the parking lot bill.

### Baby It's Cold Inside!

As previously mentioned, St. Joseph's needs to replace the furnace in one of our houses. Last week's Special Collection brought in \$316.44 in support. We have not received the final bill but we expect it to be in the \$4300 range. Your support is greatly appreciated and important to us.

If you have already contributed - thank you! And if you are considering it, please visit the office, send a check or drop that extra envelope in the collection basket at Mass. Warm Blessings upon you!

### Society of St. Vincent de Paul

The good news of today's Gospel is the extravagance of what is being given us. All we need to do is be faithful in "small matters." The cost of fidelity has no comparison to the reward given. When you give the furniture, household items and clothing you no longer use to the Society of St. Vincent de Paul, you are sharing God's extravagant love.
